

# Remembrance

In an effort to better communicate information occurring within leadership and initiatives we are currently working on, throughout the next few weeks we will be sending out a number of updates in regards to various ministries and decisions here at Remembrance Church. A couple of the topics that we plan to address include staff and worship. The updates will be sent via email and also put in your mailboxes.

We would also like your feedback. We are going to have a survey for you to fill out later this week regarding numerous aspects of Remembrance Church. We would ask that you take the time to fill out the survey as we value your thoughts. The survey will be in electronic form and sent via email. There will also be paper copies available at the informational booth.

We plan to continue to keep you informed as we move forward in following the direction God has for us.

On behalf of the Consistory,

Chuck Snoop
