Message Reflections

For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many. Mark 10:45

Jesus' mission was to serve. He could have demanded that we bow down and serve Him, but He came to serve us in every way, even to the point of washing feet and dying on the cross.

Read John 13:1-17.

Jesus was crystal clear; He has served us and now we are to serve others. If we increase each day in service, we will grow as His disciples.

- Who has been an example of humble service in your life and how have you seen Jesus through the life of this person?

- Who has God placed in your life that needs humble service from you?

We find deep and lasting joy and blessing when we learn to serve like Jesus. We are His servants and when we embrace this aspect of our calling and identity, we learn what life is meant to be. We have the opportunity to live a life of humble service in our homes, social settings, church, workplaces, schools, and neighborhoods.

- How does serving non-believers reveal the presence, power, and love of Jesus?

Pray at the start of each day for eyes to see needs of those around you, and for hands that are ready and quick to serve. Ask that each act of service will open the door to tell others about Jesus, the One who has served them with His own life.
