

Message Reflections

March 13, 2022

Read or listen to Revelation chapters 2-3.

These chapters contain letters to seven real churches. They represent real people, in real cities, at a specific time and in a specific culture. Each of these letters can speak hope and challenge into our churches today.

There is so much that we can understand about these seven churches by understanding their context.

- Choose a couple of these churches and do some more study.
- One great resource is this study by Joseph Stowell on RightNow Media: ["The 7 Churches of Revelation"](#) (click title to access the study). If you don't have a RightNow Media account, click [HERE](#) to access it for free.

As you learn about the seven churches, consider how this applies to our church and to your life by answering the following questions:

- What is God asking of His church at Remembrance?
- What is He asking of you?

To the one who is victorious, I will give the right to sit with me on my throne, just as I was victorious and sat down with my Father on his throne. Whoever has ears, let them hear what the Spirit says to the churches.
