

## **Message Reflections**

March 20, 2022

### **Who is on the throne of the universe?**

Everyone, Christian or non-Christian, must eventually answer that question.

**Big Idea:** Nothing else is more decisively important in your life than understanding God rightly. Knowing God changes everything.

#### **Read Revelation 4:1-11.**

It is significant that when John looked through the open door, the very first thing he saw was a throne. The throne was not just a piece of furniture, but the symbol of the sovereignty, holiness, and rule of God.

- What does it mean to you that God is on the throne?

Here we see all of creation represented before the throne, giving worship to the One who sits on the throne. The worshipers acknowledge God's holiness, His eternity, and His sovereignty.

- How can glimpsing what worship is like in Heaven help you to worship in this world?
- Consider your own habits of worship. Are you passionate and exuberant, or restrained and distracted? Why?
- If praise and worship of God (Father, Son and Spirit) is going to be the defining characteristic of life in the new creation, how should our lives reflect that here and now?

**Silence and Solitude:** Take a few minutes and sit quietly reflecting on the throne room of Heaven.

- Where is a heavenly perspective needed in your life right now? Ask the Holy Spirit to help give you a better understanding.
