"What you believe about who you are, where you came from, affects your whole worldview." - Ken Ham

Have you ever wondered why you exist, and if there is any real meaning to the universe? The book of Genesis tells us where we came from, and it also tells us why we are here...

We were made by God, and we were put on the earth to know God and to serve Him. In serving Him, we find meaning, purpose, fulfillment, incredible satisfaction, and a sense of self-worth.

Read: Genesis 1:1-31 and Genesis 2:1-3

Reflect: Take a moment to ask God to show you that He is the reason you are here and the purpose for your life.

"For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Psalm 139:13-14

- What does this passage tell you about God's involvement in creating each person? In creating you?
- How does this affect your understanding of the value of human life, including the unborn, the elderly and the impaired?
- If you really grasp the truth that you are made in the image of the One who created the universe, how should this affect your daily life?

The Best "Proof" of Creation is...

Simply put, nothing makes sense without God. Biblical creation is true because the ultimate authority on the subject—God—said so.
